Dear Stephen

**Re: Thank You**

It was lovely to meet you the other day, and thank you very much for your generous donation of £265.00. The money that has been raised in lieu of Christmas cards helps to provide the love and care that the families and children who use Rainbows so desperately need.

Rainbows offers respite, palliative and terminal care for the children as well as support for the whole family and care is provided by a professional team of nurses, carers and therapist.

As you may already know, every year we have to raise in excess of £2.5 million to keep our doors open. Help such as yours is invaluable if we are to continue to meet this very special need.

Once again, many thanks for supporting Rainbows.

Yours sincerely
